

Nifty Leftovers Loopy Scarf

A Lois Moore Creation
January 2012

Sample made with worsted weight yarn, knitted on size 11 needles
Cast on 9 stitches. Work in stockinette stitch (knit 1 row, purl 1 row). Leave about a 14 or 15 inch bind off tail. This is used for stitching together narrow ends.

Sample loops are each approximately 14 inches long and about 2.5 inches wide. Long edges will curl under and seaming long edges is not necessary. Cast on tail is just hidden in the side curl. Loop ends are whip stitched together.

This is a great group project. Each person could make several rectangles, all stitched together for a very quick use of leftovers and very interesting scarf for donating.

(I actually counted the rows on my first piece...53...and that way was sure all those that followed would be the exact same length. However, looking at the sample, 53 rows (14 inches) may just be too long!)
